We wish to thank:

Marian St. Onge, Editor-in-Chief of *The Marian* (1958) and Seymour Cramer, Associate Editor of *Old McGill '58*, for their constructive advice.

the ESA, SUS, and AAC, for their substantial grants.

the English Department of Sir George Williams College, for their assistance in proofreading.

all photographers who have worked for and with us.

our printers, for their valuable assistance.

all those people, too numerous to mention, who have helped *Garnet '58* in countless ways.

*We dedicate this volume to
the band of people whose fidelity to what they
believed to be the Truth led to the founding of*

Sir George Williams College

*in the hope that we might earnestly, yet
tolerantly, seek the discovery and advancement
of Truth in all its aspects.*

In Memoriam

DR. K. E. NORRIS

First as registrar from 1929 to 1935, and then as principal for the next twenty years, Dr. Norris successfully guided the college through its early years. Under his leadership the college matured to take its place among Canadian Universities. He shall long be remembered by all those connected with Sir George Williams College.

Principal's Message

People go to college for a variety of reasons. There is, for example, the old story about a college career being "A four-year loaf made of father's dough." Then, there are the bookworms and pedants who like to think of themselves as scholars. On the other hand, many tough-minded and practical people look upon a college career as a gateway to material success. Whatever the purpose, it is generally held that there is in a college career something essentially worthwhile. Young people do not give up their precious youth or, in many cases, their hard-earned money without the hope of some lasting benefit.

What many of us do not realize is that the benefits and values of college life are largely dependent upon oneself. It is an old and well worn saying that we get out of life what we put in. It is, nevertheless, true and particularly true of college.

Thomas Carlyle vividly describes his disappointment in finding that the university did not inspire him or make him more learned or more happy. Suddenly, however, he realized that it was up to him to make his own way. He became aware of the fact that work, reading, study and intellectual discussion were a precious privilege with which the university student has been especially blessed. Truly, all education is self-education and each experience has within it the possibility of leading on to the greater and better life.

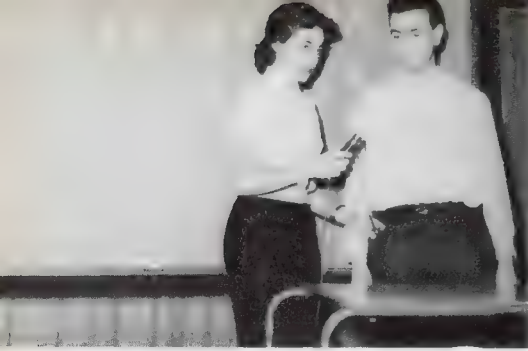

It is my sincere hope that the students of Sir George Williams should make the days and evenings count. These are valuable hours which you spent here. May you make the most of them so that in time to come you will look back upon them with pleasure and satisfaction.

My sincere best wishes to you all.

HIGHLIGHTS

Task masters.

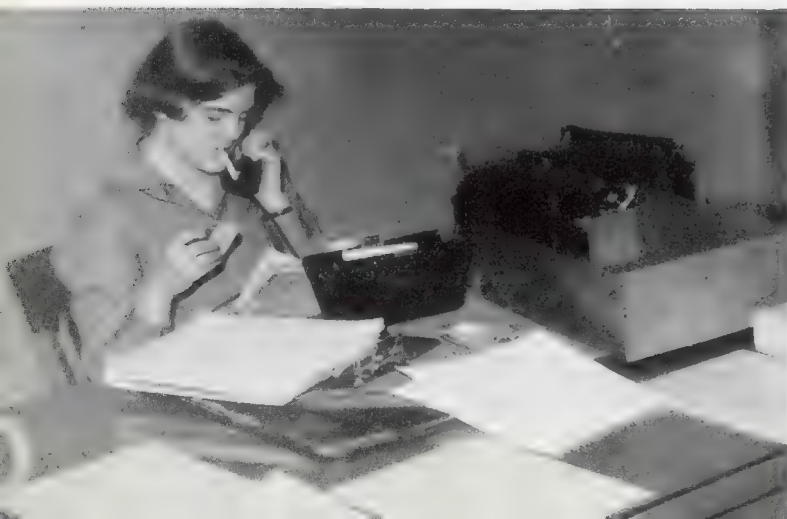

Down, miserable frosh!

My feudal Lord.

The Freshman is the butt of the perennial college joke. Regarded as the lowest form of animal existence, he, for the period of one week, is made as miserable as possible by the upperclassmen. The purpose of Freshman Week is not only to acquaint the new student with others of his ilk and kin, and with college life in general, but also to teach him how to be miserable towards future generations of his own breed. An example of the results obtained would be Phil Allmen, '57 Freshman Week Chairman. Phil made Freshman Week a great success. 'nuf said.

Ti-Joe et Alouette!

The annual Christmas Ball was held on December 14, 1957, in the fire-plagued Windsor Hotel. Dancing to the strains of 'Smoke Gets in Your Eyes', wandering from party to party, singing 'Alouette' led by Joe duMouchel (standing on a table), and waving oversized candy canes filled the evening with excitement. To the cheery sound of the fire-engines arriving for the fourth blaze in five days, the Ball broke up. Some people were really carried away.

For the first time in many years, all Georgians were given the chance to accompany the basketball team on an out-of-town trip. A busload of singing, laughing, party-minded students made their way to Ottawa. That city has not been the same since. Neither have the students who made the trip. This weekend was a memorable occasion, and will never be forgotten by the students who took part.

From first to last, the annual Winter Carnival stands as the Georgian social event of the year. Every year it is bigger and better, and this year's carnival, directed by Dave Davies, was no exception. A sleigh ride, the best variety show ever seen at Sir George, the 'Day Up-North', and two dances, gave Georgians a chance to shine. One of the highlights was the crowning of Jo-Anne Carroll as Carnival Queen. Her four maidens-in-waiting were Jill Barclay, Liz Beamer, Tina Kirilows, and Lillian Lang.

Valedictory Address

THIS evening my feelings are both of pride and humility; for to no student could a greater honour be accorded, or on the other hand, a greater responsibility be given, than to be elected valedictorian of the 1957-58 graduating class. For this I am very thankful and grateful to you fellow-graduates, and do hope that I would be able to express satisfactorily the different thoughts and sentiments welling up in you on such a momentous occasion. This might be the last time for many of us that we are assembled to bid farewell to one another and to an Institution that has done so much for us, and to which we owe so much. To do this is not easy. We all looked forward proudly with eager anticipation to this day which marks the culmination of many years' arduous work. Special praise must be given to the Evening Graduates many of whom are parents who had to mix the problems of education, industry, and home, each of which is a great challenge in itself. Let us thank all those, members of the Faculty and Staff, friends and well wishers among us this evening who had in some measure or other contributed in helping us overcome these problems. At this point we all feel that this function is incomplete without the presence of our late Principal Emeritus Dr. Kenneth E. Norris. We all deeply feel and mourn his loss. Sir George Williams College has truly lost a friend who will always be remembered as one who has done so much for mankind as a whole. We, together with those dearest to him, should have solace in this thought that death is not a tragedy to a man who has contributed to humanity so much in his lifetime. Small tribute we pay to this noble man when to quote Shakespeare we say:

His life was gentle; and the elements
So mix'd in him that Nature might stand up
And say to all the world, This was a man!

Now that we have achieved that for which we were striving for many years, let us stop to consider the next step we should take. We are now moving into a changing world, or should we say a new world where the future seems to promise nothing but uncertainty and insecurity. It is not my intention to advise you as to what line of action you should follow. But I should like to strike a slight note of warning to those of us who seem to be caught up in the maelstrom of new western scientific thinking. The sputniks circling the earth seem to have shocked western man from his basic ways of thinking; for now, more than ever before, man's thoughts have turned skywards. Granted that man's concept of time and space would have to be changed to keep in pace with the march of Science, we need still maintain our basic values. A panel of educators at the University of Montreal English Club recently stated that the West must not be panicked by Sputnik into an unbalanced emphasis on Science in school curricula to the detriment of the Humanities.

We do need scientists in order to preserve our existence. But we are not all scientists. We all have our special aptitudes. And as Sir George graduates, we should all know our special bent, and seek to develop it as best we could, remembering that society is stable when each individual is doing that for which he has special aptitude. To do otherwise, the individual would be I think, as Kant the great German philosopher puts it immoral. The words "Sir George Graduates" have special significance. We should all have liberal minds, having milled through an Institution with such a liberal curriculum. Some time ago I was speaking to an Arts Graduate of Sir George Williams College, and he told me how great it was to be a graduate since he was able to attend a lecture given to medical students and follow it intelligibly. I made the slight correction by adding the words "Sir George Williams" before the word "graduate." We are living in a free society, and as Dr. D. L. Mordell, Dean of McGill Engineering Faculty said:

Man in a free society should be educated to think on a broad basis, rather than be merely given a competency degree in a certain profession or occupation.

You will, I am sure, agree that there is no need for universities and colleges if men are to be trained in narrow fields of competency.

At this point many may be wondering what would become of Specialization. I do not for one moment believe that Specialization should be done away with for Specialization means competency—a greater approach to perfection to which we should all aim. Here is where the teacher plays his role. Rightly did Giovanni Gentile, well-known Italian educator write:

Specialization is not necessarily narrowing; the teacher is saved by the universality and concreteness (wholeness) of his view. The teacher is the subject focussed to the pupil's level, but personalized and humanized, given a soul.

ORGANIZATIONS

Evening Students' Association

Front: Claudette Mailly (Asst. Sec.), Roland Sperlich (President), Grace Evans (Sc. Rep.), Margaret Delahanty (Sec.).
Rear: Michael Weiss (Pub. Rep.), Jorn Weiss (Comm. Rep.), Stella Malish (EWS Rep.), Michael Krushelnyski (Treas.) Riva Seidel (Soc. Chair.), Ray Lafreniere (Ath. Rep.), George Fiala (Clubs Chair.).
Absent: Linda Holmes (Arts Rep.).

The Evening Students' Association, the supreme governing body over evening activities is confronted with problems peculiar to itself. The evening student body consists of working people, most of whom are married. Their center of interest lies mainly outside the college and its activities.

The evening student, therefore, does not have the interest or the time to participate in college clubs. With a student body five times as large as the day college, the E.S.A. can operate only a handful of clubs and activities. Such clubs as are active, however, have enjoyed extreme success, as the Asian Studies Group, the Film Society, and the Young Men's Business Club give witness.

Students' Undergraduate Society

Front: Claude Gohier (Treas.), Catherine Shannon (Sec.), Al Mikalachki (President), Reg Gates (Vice-Pres.), Marg Gorman (DDWA Rep.).
Rear: Simson Najovits (Georgian Ed.), Ken Copland (3rd Yr. Rep.), Phil Allmen (4th Yr. Rep.), Mike Warren (Publ. Chair.), Marvin Jay (Soc. Chair), Robert Bennett (1st Yr. Rep.), Arnold Holtzman (Clubs Chair.), Roland Hersen (2nd Yr. Rep.), Dick MacKay (Ath. Chair.).
Absent: Morty Bistrisky (Exter Amb.).

Elected annually by the students of the day division, the Student Undergraduate Society is the governing body over all extra-curricular activities and programs. No club or society can operate in the college without its sanction, no social function can be held without its approval. It allocates all undergraduate fees. It sponsors such activities as Freshman Reception Week, the Winter Carnival, and the Christmas and Spring Dances.

The S.U.S. consists of a president, vice-president, secretary, treasurer, social, clubs and athletic chairmen, and representatives from the Day Division Women's Association and each of the four years. The editor of *The Georgian* and an external ambassador are ex-officio members.

S.U.S. Study Committee

Front: Francia Faust, Peter Pitsiladis (Chairman), Marvin Jay.
Rear: Dick MacKay, Morty Bistrisky, Bob Barr, Al Mikalachki.

In recognition of the chaotic conditions existing in the field of extra-curricular activities, the Faculty suggested the implementation of the Student Activities Advisory Council. As opposition developed to this plan, the S.U.S. and E.S.A. each set up a Study Committee to investigate it and reconcile the divergent views.

After due investigation, reports were brought back to the executives rejecting S.A.A.C. as a piecemeal solution to the problem. Negotiations between the two committees followed, resulting in agreement on only certain points. The basis of further negotiation was left to the discretion of the Dean.

E.S.A. Study Committee

Front: Roland Sperlich (Chairman), Margaret Delahanty.
Rear: Michael Krushelnyski.

N.F.C.U.S. Committee

The purpose of the National Federation of Canadian University Students is to promote a better understanding among all Canadian university students and a greater degree of co-operation and correlation among Canadian universities. It has further supported international relations with student groups of all nations.

Among Canadian students it has sponsored art, photography, and short-story contests. A low-cost life insurance plan has been made available to students as well as a convenient travel department.

Front: Roland Hersen, Basil Vasilkioti (Chairman), Louise Whitaker.
Rear: Robert Bennett, Stan Weinstein, Luc McCabe, Harold Bedoukian.
Absent: Marvin Jay.

Publicity Committee

The publicizing of collegiate events, inside and outside the college is the job of the Publicity Committee. Programs, such as the Winter Carnival and the Christmas and Spring Dances, are dependent on wide-spread publicity in order to be successful. Events are publicized outside the college in order to give the public at large an idea of what the college is and what its students do.

Front: John Foulkes, Mike Warren (Chairman), Doris Felsher.
Rear: Larry Walsh, Fred Gricman, Larry Nachshen.
Absent: Art Gregg, Heather Sheppard.

S.U.S. Union Committee

In recognition of the fact that the college was growing fast and that student activities and government would soon be hard pressed for room to function properly, the S.U.S. set up a committee to look into the feasibility of building a student union.

The committee investigated all aspects of the problem, and submitted a report to the S.U.S. This report was turned over to the Board of Governors for their approval.

Front: Michael Warren, Dave Shacter (Chairman).
Rear: Claude Gohier, Basil Vasilkioti.

Garnet Key Society

The highest honour that can be bestowed upon a student of Sir George Williams College is membership in the Garnet Key Society.

The Society's purpose is to act as a service organization for the college. Society members usher at important functions such as convocations, concerts, meetings and student assemblies; conduct guided tours, welcome visiting dignitaries and athletic teams and aid the college in any other manner possible.

Representatives of the Faculty and leading students annually select the "Key" members on the basis of character, contribution to the extra-curricular life of the college and academic standing.

Front: Al Mikalachki, Marg Gorman, Jim Yelland (President), Reg Gates.
Rear: Simson Najovits, John Converse, Ernest Haznof, Heather Mason, John Keirstead, Dick MacKay, Marion Bedoukian, Peter Pitsiladis, Tom Thornton, Bill Hampshire.
Absent: Denny Zerbisias.

Day Division Women's Association

Composed of all the women members of the Day Division student body of the college, the Women's Association operates as the co-ordinating group for all female programs. This organization is sponsored by the Students' Undergraduate Society and has a direct representation on the executive council.

An interesting program of socio-welfare nature is carried by this group, with tea dances and socials at festive occasions as the main undertakings. Some of these socials have become a by-word in student life: the Sadie Hawkin's Dance, the Valentine Tea Dance, etc. are activities promoted by this group.

Front: Francia Faust, Marg Gorman (President), Eade Donnelly.
Rear: Dawn Champion, Melba Richardson, Gayla Wood, Eva Bartok.
Absent: Heather Mason, Gerry Wax.

Evening Women's Association

The Evening Women's Society executive set forth and endeavoured to carry out an extensive program during its term of office which would be of interest to all evening women. The success and attainment of their goal is unfolded as follows:

The Society functioned at Fall Registration when members were on hand every evening during the weeks of Registration to serve refreshments to the students.

One of the major and very successful events of the E. W. S. was the Anniversary Tea held on December the 8th in Birks Hall.

Dancing, Bridge and Sewing Lessons were three original activities planned by the E. W. S. and were rewarding in their results.

Front: Joan Webb, Barbara Hamill, Stella Malish (President), Nina Staniulus.
Rear: Roslyn Anjo, Suzanne Drapeau.

The Georgian

In a year of continual controversy and expansion The Georgian established itself as one of the outstanding college newspapers in Canada.

The policy of The Georgian was consistent throughout the year — to report impartially on all college events, to create and foster public opinion and to pursue truth. "Up to the minute" coverage of news and sports events, with timely commentary on both, was stressed. Intellectualism, art, theatre and book reviews, poetry, humour and commentary on the college environment were injected into the feature pages.

Front: Larry Nachshen (Sports Ed.), Ken Shindler (Assoc. Ed.), Simson Najovits (Editor-in-Chief), Larry Walsh (Edit. Asst.), Fred Gricman (News Ed.).

Rear: Dave Freedman (Eve. News Ed.), Hans Pohl (Features Ed.), Louise Whitaker (Bus. Man.), Bob Dendy (Ad. Man.), Harold Bedoukian (CUP Ed.).

Students' Directory

The Students' Directory is an annual S.U.S. sponsored publication which includes the name, address, telephone number, faculty and year of each full-time student registered in the Day Division of the College.

It is the purpose of this project to serve as a link between the students and between the student body and the Faculty, both for academic and social advantages.

Front: Trudy Zuckerman, Dick MacKay (Editor), Jo-Anne Carroll.

Rear: Charles Ancrum, Luc McCabe, Ernest Haznof, Peter Pitsiladis, Ken Copland.

Absent: Linda Briskin.

Prism is the annual literary magazine of Sir George Williams College. Serving as a non-partisan outlet for the creative talents of both Day and Evening Students, its aim is to foster and encourage literary expression among students, and to fulfill the need for recognition in the field of college literature.

C. J. Newman, Francis Kornpointer,
Peter Krohn.
Absent: Herb Vool, Simson Najovits.

The Filter Paper

The Filter Paper is the organ of the Science department of the college. The purpose of this publication is to encourage greater cohesion between its students and to publish news that affects them in particular. It is printed once a month and has a circulation of approximately two hundred.

Front: Beverly Liutec, Joe Merka
(Editor), Delphine Frenette.
Rear: Alex Liutec, Walter Roman,
Israel Unger.

Georgian Film Society

The Georgian Film Society has enjoyed one of its most successful years. Membership now encompasses the Association of Alumni and the Evening High School, as well as the old stand-bys: the day and evening students of the College.

The purpose of the Society is to promote the study of film as an art and as a medium of information and education through the projection of films of international acclaim, and also through the preparation of program notes and film evaluation by the executive.

Front: Hilda Taylor, Jack Poirier (President), Irene Drolet.

Rear: Erik Van Der Kaay, Patricia Wicks, Jim Jones.

Absent: Peter Clark, Jean Finlayson, Dimitrios Roussopoulos, Deiter Fischer, Bill Kinal.

CAI (Rocket Society)

The object of the Canadian Aeronautical Institute (Rocket Society) of Sir George Williams College is the promotion of aeronautical and astronautical science both within and outside the College. The Society sponsors speakers, lectures by members, movies and field trips to companies engaged in scientific work.

The Rocket Society's greatest achievement this year was the completion of an operating model of the IGY earth satellite.

Front: Nick Abramsen, Irene Andrews.

Rear: Henry Schlachta (President), Dave Shacter.

Absent: Peter Clark.

Amateur Radio Club

The club was founded in October, 1956, by students who were interested in learning the technical aspects of radio, as well as getting their amateur radio license. During this record year the club's programme has expanded to include non-technical as well as technical films. The programme also includes a tour of radio and T.V. stations.

Front: Robert Smith, Morris Gurevitch (President).
Rear: Seymour Epstein, Hyman Silverman.

C.I.C.

The S.G.W.C. Student Chapter of the Chemical Institute of Canada, is organized to further the interest of C.I.C. within the College, and to serve the members of the Institute studying to qualify for memberships as professional chemists or chemical engineers. The Club invites speakers, shows movies, and arranges tours. Qualifying members, aided by the C.I.C., may win annual scholarships and are able to purchase books at reduced rates and meet with a Senior Montreal section of the C.I.C.

Front: Alex Liutec, Israel Unger (President), Delphine Frenette.
Rear: Joe Merka, Eddy Skowron, Eddy Yonelinas, Elmer Huns.

Pre-Medical and Pre-Dental Society

The Pre-Medical and Pre-Dental Society of Sir George Williams College was formed to meet the needs of students contemplating medicine, dentistry, or their related fields as a profession. The main aim of the society has been to acquaint its members with a requisite knowledge of their future training and careers.

This year, under the guidance of the Society's adviser Dave Moscovitch and the President, Ian MacDonald, the Society carried out its most active and fruitful program including a First-Aid Course and the Annual Blood Donor Clinic.

Front: Ian MacDonald (President), Mary Keith, Edward Fellows.
Rear: Robert Doak, Allen Surkis, David Moscovitch.
Absent: Lawrence Cohen.

Engineering Society

The Engineering Society was formed in October, 1957, after much discussion among students of the Engineering Department.

The intentions of the Society are to enable the students of this college to become better acquainted with the engineering profession, its importance in society, its achievements and hopes for the future.

One of the first activities of the Society was a tour of the St. Lawrence Seaway Project, where the students had a first-hand opportunity to see some of the problems which confronted the engineers in such a tremendous undertaking. In addition to the tour, several films were shown and Dr. A. Wright addressed the group on Engineering.

Front: Jose Vasquez, Mirko Konecny (President).
Rear: Bill Cruden.

Debating Society

The Debating Society of Sir George Williams College has as its fundamental aim the training of public speakers and debaters within the college. Its second aim is, through the various Inter-Collegiate debating conferences in the United States and Canada, to create a public awareness of the college as a whole.

In the past year, Georgian debaters challenged and debated with Loyola College, Marianopolis College and the Hillel Institute. The Debating Society also accepted invitations to participate in various debating conferences such as that of St. Lawrence College, in New York State, and was well represented at the McGill Carnival Debating Conference.

Florence Yaffe, John Garson (President), Richard Comber.
Absent: Fred Gricman.

Young Men's Business Club

Sir George Williams College, the Canadian university with the largest number of registered Commerce students, had no club dealing with the business world until the foundation of the Young Men's Business Club in October 1957. At the Orientation Night, the club for the first time got in touch with the students of the College, and since then has received their enthusiastic support.

The purpose of the club is to promote and interchange the general knowledge of business among the club members and to give them a practical picture of the business world.

Standing: Al Cunningham, Guy Sauve (President), Steve Rea, Murray Johnson, Alan Shelley, Bill Charnutsky.
Seated: Ann Carvey.
Absent: Gerry Boisvert, Leonard Whelan, Jack Poirier.

Choral Society

The past year witnessed a great resurgence of interest in choral singing at Sir George. As a result the Georgian Choral Society, under the able leadership of Mr. Ken Adams, performed in two highly successful shows, a Christmas concert, and in the spring a concert of semi-classical music. With a permanent membership of 65, the society was able to give its renditions in the proper scope.

Front: Ingeborg Steinback, Roland Hersen (President), George MacKenzie, Margaret Raymont.
Rear: Ken Adams (Director), Sandra Guillaume, Anne Peffers, Linden Rogers, Terry Seaman (Accompanist).

Folk Music Society

The Folk Music Society consists of students interested in the encouragement of non-commercial music whose origin is in man's traditions. To this end they have presented a program of folk music records and guest performers from all parts of the world.

Jack Nissenson (President), Dave Mendelson.

The Jazz Society

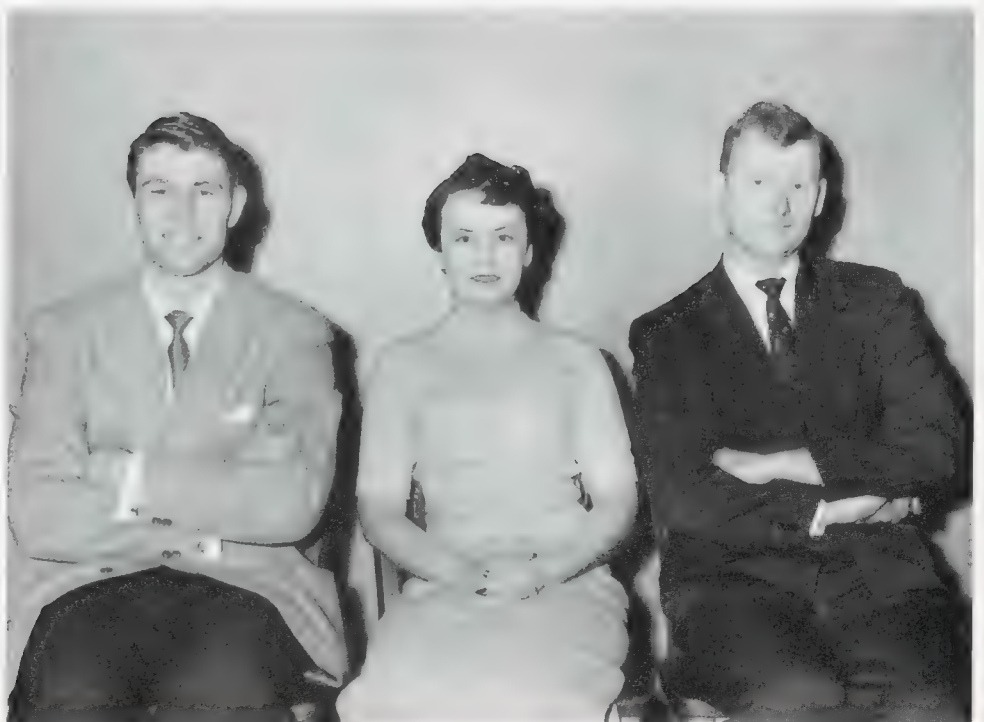

This year, the Jazz Society features an active and interesting programme. Featured were a number of lectures, panel discussions, record and live music sessions and, of course, business meetings. Also on the programme were a demonstration of stereophonic, Hi-Fidelity sound and jazz concerts.

Front: Judy McAskill, Richard Comber
(Day President), Marvin Ekers.

Commonwealth Club

The aim of the Commonwealth Club is the encouragement of close ties with the member nations of the British Commonwealth of Nations and familiarity with their peoples. Its program includes guest speakers from Commonwealth nations and discussion groups held regularly.

Tony Hungerbuhler, Jacki Bowering,
Jim Davidson.
Absent: Clive Mallory (President).

West Indian Society

An organization with many purposes and aims, the West Indian Society at Sir George is one of the most active clubs on the campus. Through its varied and extensive programme, this group brings a bit of the West Indies to Sir George, giving us a flavour of the happy and joyous life of the islanders. The spirit is infectious, and so are the songs.

The Society also aids the many students from the West Indies in establishing themselves in Canada.

Front: Earle Basso (President), Rodney Brathwaite.
Rear: Stanton Carter.
Absent: Viola Johnson, Gaston Franklyn, Percival Worrell.

Asian Studies Group

The Asian Studies Group was founded in 1953 with the aim of promoting the study of Asian culture and its contribution to world history. This aim is carried out by means of lectures, films, panel discussions and other similar activities. Featured in its program were talks given by notable diplomatic guests from Asian countries.

Front: Francis Kornpointer, Lance Bailey, Effi Richard.
Rear: F. C. Hunnius (Chairman), George Sideline.
Absent: Jean Finlayson, I. Perera, Ruth Douglas, D. Roussopoulos, Betty Gutteit, Margaret Delahaut, G. B. Richard, Frank Thomas.

Ukrainian Students' Club

The Ukrainian Students' Club is now in its sixth year of existence. All activities are jointly sponsored by the day and evening divisions of our college.

The main objective of the club is the study of Ukrainian culture and its contribution to our Canadian way of life. Regular meetings and discussion groups are held. Each year the club invites guest speakers to address the members.

Growth of Ukrainian culture is promoted by featuring various activities throughout the year. A major undertaking is the Ukrainian Week program. Books and musical records have been donated to the College library.

Front: Alice Tkacz, Alex Karapita (President), Irene Chomanchuk.
Rear: Gerald Bureka, Sonia Lenko.

Cosmopolitan Club

The Cosmopolitan Club was formed in October 1957. Its aims are to unite socially students of all nationalities and to further understanding amongst various groups. It serves in helping students from other countries to become established in a Canadian College.

Its program includes talks by students on their home countries and cultures.

Front: Sandra Guillaume, Barbara Young.
Rear: Theo Dedek (President), Harold Bedoukian.
Absent: Ken Morris, Ben Zimet.

Liberal Club

Representing the political sentiments of the Liberal Party on the campus, this group sponsors discussion meetings, forums and debates which are of interest to young Liberals and other politically conscious students.

Affiliated on a national level with University Liberal Clubs throughout Canada, the Sir George club sends member-delegates to Ottawa for the annual national convention of the Canadian University Liberal Federation (CULF). The club is also a member of the Young Liberal Association of Montreal.

Front: Brian Murphy, Morty Bistrisky (President), Denny Zerbisias.
Rear: Ken Shindler, Florence Yaffe, Jacques Phaneuf.

Progressive Conservative Club

The Progressive Conservative Club was formed with the purpose of providing the students of the College with an opportunity to study the policies of the present government and to educate themselves as electors. Club activities have included several discussion meetings on some aspects of government policy, and hearing Mr. Egan Chambers speak on "Party Organization in a Constituency". Several members of the club have attended Conservative rallies and nominating conventions. Two delegates and two alternates were also sent to the National Progressive Conservative Student Federation Conference in Ottawa.

Front: Sandra Guillaume, Terry Copp (President), Robert Bennett.
Rear: John McGarry.
Absent: Basil Vasilkioti.

Hillel Counsellorship

The B'nai B'rith Hillel Counsellorship at Sir George Williams College is the recognized Jewish Community on the campus. It "seeks to lead Jewish students toward glad identification with Jewish people . . . toward valuable contributions to the community and society-at-large through enlightened citizenship." With this end in view, the executive and executive council of the Counsellorship plan a program of a social, cultural and religious nature.

Meetings are held at the College and at Hillel House, 3460 Stanley St., which is shared with McGill Hillel. An informative publication entitled "The Hillellight" is mailed weekly to all member students.

Front: Phyllis Weshler, Andrew Simon (President).
Rear: Stanley Weinstein.
Absent: Roslyn Plotnick, Marcel Elefant.

Students' Christian Movement

The S.C.M. is one of the many such movements in Canada and throughout the world, and is affiliated with the World Student Christian Federation, in Geneva, Switzerland. The Sir George Williams S.C.M. meets periodically and occupies a joint house with the S.C.M. of McGill University, (3625 Oxenden Ave.). The primary purpose of the Student Christian Movement is to create a sense of Christian fellowship among the students of Sir George Williams College and to aid them in discovering the value of Christianity.

Front: Francis Kornpointer, Robert Smith (President), Cynthia Gillingham.
Rear: Milton Dorman, Roger Brassard.
Absent: Bogna Pasierbinska.

Newman Club

The Newman Club is the official organization representing the Roman Catholic Church at Sir George. The club is a member of the Canadian Federation of Newman Clubs, and of Pax Romana, the organization which represents Catholic university students the world over.

Organized in 1952 at Sir George Williams, the Newman Club has made great strides towards bringing Catholic students here at the College closer together. Through a threefold program, the club has endeavoured to present religious educational and social events geared to the needs of the Catholic student here at Sir George.

Front: Carol Laws, Lydia Shanoski, Delphine Frenette, Eva Bartok, Lillian Vilimas.

Rear: Jim Nelson, Luc McCabe, Robert O'Donnell, Philip Allmen (President), Rev. R. King (Chaplain), Gerry Turpin, William Thomas, Mike Roach.

Unitarian Club

The activities of the Unitarian Club are intended to further the liberal approach towards religion, the sciences and human relations in a modern society.

Bob Fiala, Maria Wehm.
Absent: Alain Lefebvre.

Georgian Players' Club

The "Georgian Players Club" was organized in conjunction with the course, Fine Arts, 105, given by Miss Norma Springford. The production of the play "All My Sons" by Arthur Miller was organized as nearly as possible along professional lines, from the director's rehearsal schedule to the electrician's lighting.

In her capacity as Faculty Adviser to the production of the play, Miss Springford gave the benefit of her professional advice and criticism. Thus, the enthusiasm and excitement of the students involved in the play was properly directed, and became a most enlightening and memorable experience.

Front: Hilda Taylor, Miss Norma Springford (Advisor), Roy Eastwood (President).
Rear: John Burnside, Roy Brown, Dieter Curlis.

U.N.T.D.

This year as in previous years, students from Sir George William's College were recruited to join the complement of the University Naval Training Division on board H. M. C. S. Donnacona. Our representation consisted of sixteen cadets, eight first year, five second year and three third year. As members of a reserve unit of the R.C.N. all were required to spend one night a week undergoing naval training. Through various social functions, a mess dinner, Tri-service ball, and other activities, a strong bond of friendship was created between students of the various colleges within the unit.

SPORTS

1957-58 Sports Summary

During the past college year, Sir George enjoyed perhaps its finest athletic season since the founding of the college. Several championships were won, new intercollegiate teams were formed, and major innovations, widening the role played by sports in the lives of students, were introduced.

The crowning success of the year was achieved by the Senior Georgian Basketball squad, coached by Mag Flynn, Director of Athletics. Playing a colourful and crowd-pleasing brand of ball, the Georgian cagers captured all three of the championships available to them.

In mid-February, the squad took its first trophy, the Dodds Cup, by defeating McGill. The trophy had not been won by a Georgian team since 1945.

On the first of March, the Georgians walked off with the silverware in the Ottawa-St. Lawrence Valley Conference, defeating the University of Montreal in a two-game total-point series. The team was undefeated in Conference play.

The most dramatic achievement came three days later when the never-say-die Georgians defeated the Y. M. H. A. Blues, four games to one, in a best-of-seven series, to win the Provincial Basketball Championship and the right to enter the Eastern Canada finals.

College teams also enjoyed successes in other major inter-collegiate sports. Early in the year, the Georgian tennis team presented the college with the championship of the Ottawa-St. Lawrence Conference Tennis Tournament.

An improved Georgian Hockey team, coached by Dick Smith played a hard-skating brand of hockey all season, ending up with a .500 average. The Juvenile Basketball team, a new addition to the college sports scene, proved its worth by winning both the pre-season Golden Ball tournaments and the top honours in the Montreal Juvenile Basketball League. In fifteen league games the team, coached by Dr. Art Johnson, was undefeated. The Junior basketball team failed to live up to pre-season expectations and suffered through a disastrous schedule.

The soccer team also fell short of its predicted goal, finishing the season in the cellar spot of the Ottawa-St. Lawrence Valley loop. The new curling team, however, had better luck and took the Loyola Winter Carnival Bonspiel Trophy, as well as ranking high up in other tournaments.

The Skiing, Rifle, Golf, Swimming, and Water polo teams also engaged in inter-collegiate competition with mixed degrees of success. Dick MacKay's Georgettes basketball squad performed well, but failed to win any titles.

Perhaps the most significant and far-reaching athletic achievement of the past year was the formation of the Athletic Advisory Council. This council watched over all of the athletic program at the college, and gave a much-needed shot in the arm to flagging Georgian spirit by sanctioning the formation of a lively, attractive group of Cheerleaderettes. It is partially owing to the efforts of these girls that attendance at all Georgian sports events showed a remarkable increase over that of previous years, a factor which helped make 1957-58 a successful year, sportswise, at Sir George.

Athletic Advisory Council

Front: Prof. E. McCullough, Heather Mason, Dick MacKay, Lt. Col. S. C. Holland, Magnus Flynn
(Athletic Director).

Rear: Dean R. C. Rae, Andre Dumouchel, Ray Lafrenière, Jim McBride, Dan Presley.

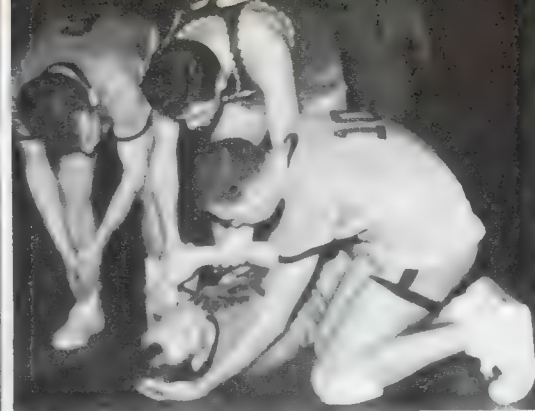

Absent: Asst. Dean D. L. Peets, Dorothy Martin, Jim Manolakos, James J. Finnie.

Inaugurated at the start of the 1957-58 term, the Athletic Advisory Council proved to be one of the most successful ventures at Sir George. The functions of the A. A. C. are primarily to decide any matters directly concerning the Athletic Department.

The A. A. C., with Dick MacKay as Chairman, gave its approval to a number of new groups, notably the Cheerleaderettes.

This governing body is responsible for supervising athletic programmes, approving schedules, arranging for facilities, and serving as a liaison between students and faculty.

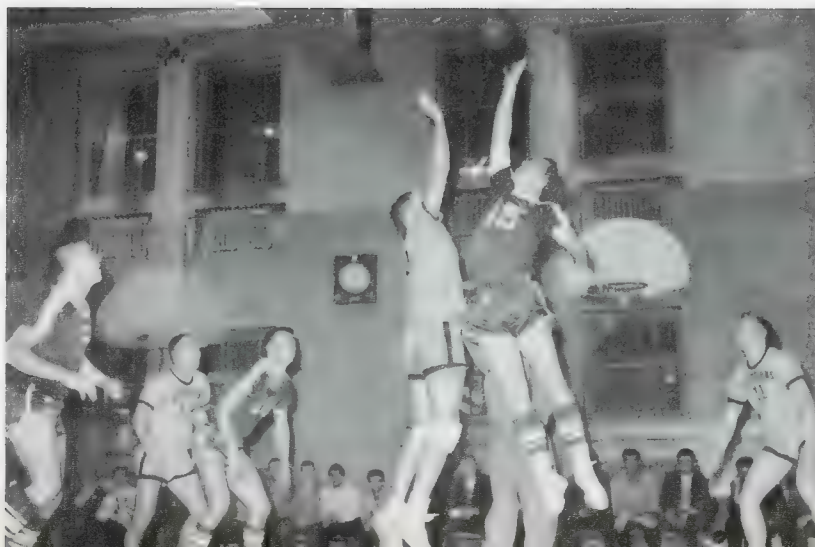

Comprising the A. A. C. are one representative from the Board of Governors, two representatives from the Alumni Association, and two representatives from the Faculty. Also included in the Council are six members of the Student body, the Director of Athletics, and the Dean and Assistant Dean of the College.

Senior Basketball

Front: Roy Smith, Ralph Whims, Joe Gates, Les Robertson.
Rear: Al Mikalachki, Rick Freitag, Jim McBride, Mike Warren, Harry Gordon, Dick MacKay.
Absent: Sol Apel.

Juvenile Basketball

The first juvenile team entered by Sir George Williams College in Montreal Basketball League play-down ended the regular season's play with an unbeaten record of seventeen victories.

The team copped the Golden Ball crown early in the campaign by defeating Chambly County.

The baby Georgians then went on to capture the city title. The impressive string of victories also included wins over two highly rated teams from Ottawa and Mont St. Louis.

Front: Carl Wilson, Charles Schwartz, Sol Zukerman.
Rear: Len Oberfeld, Bob Fisher, Ed Berger, Frank Symons, Steve Ayoub, Jeff Weisler.
Absent: Abbie Kreisman.

Georgettes

This year's Georgettes did not meet with much success in their league play. In exhibition tilts, however, the girls were a little more successful, defeating both the University of Montreal and Basil Moreau College.

Heather Mason, the team captain, led the team in scoring. Denise Marantz, Melba Richardson, Francia Faust, and Lynne Chaplin also contributed to the tally.

Manya Galet proved to be a pillar of strength on defense, along with Brocha Rosenthal, Kathleen Friend, Helen McNicoll, and Sandy Drobot.

The team was managed by Beverly Burton and coached by Dick MacKay.

Front: Lynne Chaplin, Penny Moore, Heather Mason (Capt.), Manya Galet, Helen McNicoll.
Rear: Bev Burton (Mgr.), Bernice Rosenthal, Margot Montgomery, Kathleen Friend, Denise Marantz, Melba Richardson, Dick MacKay (Coach).
Absent: Grace Rolling, Francia Faust, Bonnie Montgomery.

Hockey

The Georgian hockey squad, paced by centre Connie Mandala, amassed a total of four wins, five losses, and one tie, to place fourth in league play this year. Mandala was the team's top scorer with over thirty points in the ten scheduled games.

Front: Walter Montgomery, Larry Winslow, Murray Steinberg, John Foulkes, Alec Gilbert, Walter Gulych, Al Jones, Phil Laliberte (Ass't Coach).
Rear: Mag Flynn, Steve Bobula, (Mgr.), Andre Lussier, Connie Mandala, Doug Pringle, Ches Macey, Ed Flegg, Gerry Grace, Dan Lavigne, Murray Veroff, Donald Steen, Dick Smith (Coach).

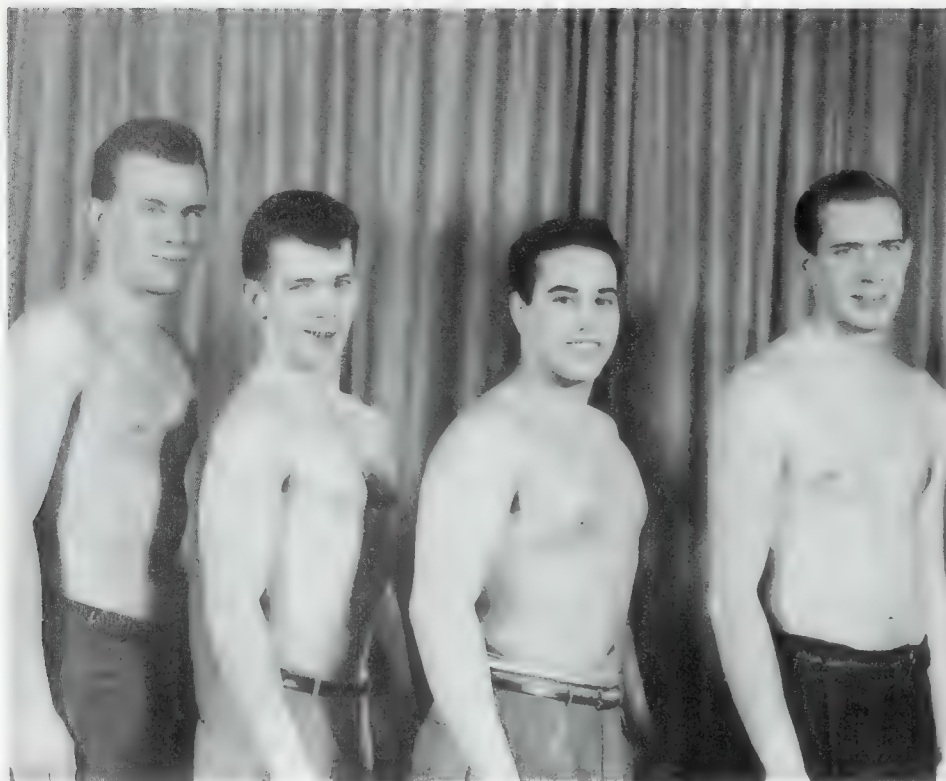

Rifle

The Rifle Club at Sir George had another very active year as it defended the Canadian University Rifle League championship against all comers. McGill, and the Universities of Alberta, Toronto, and Manitoba, form the league. The Georgian team also held several friendly matches with McGill. Larry Richards shot in the high nineties all year to lead the team in scoring.

Tom Fisher, Irving Huss, Ken Perkins, Larry Richards.
Absent: Robert Cessford, Robert Clerk.

Swimming

1957-58 saw the S.G.W.C. Swim Team participating in a very active season. Meets held at R.M.C., C.M.R., and the 'Y' pool included teams from McGill, U. of M., C.M.R., R.M.C., and S.G.W.C.

The invitational meet between U.N.B. and Sir George was one of the highlights of the season. Sir George lost the meet to a stronger and better conditioned team by 8 points. The final Ottawa-St. Lawrence Conference Intercollegiate championships were held at C.M.R. Led by captain Bobula, who won the 100-yard breast stroke championship, Sir George placed third and showed surprising strength in the other events.

The expert coaching of Malcolm Ross and Charlie De Hecht gave the Swim Team added experience which proved very helpful this year.

Peter Berry, Harry Williamson, Gus Borovilos, Steve Bobula.
Absent: John Pare, Skip Stanbridge, Roger Meldrum, Drasco Bubalo, Marc Callaghan, Dan Easton.

Tennis

The highlight of the tennis season at Sir George this year took place in mid-October at the College Militaire Royale courts. Playing under unfavourable weather conditions, the Georgian tennis team presented Sir George with its first Intercollegiate championship by capturing the prized Ottawa-St. Lawrence Valley Conference Tennis Tournament held at the St. Jean Military College.

The Georgian six-man squad greatly outplayed their opponents in the two-day meet as they lost only four of their scheduled fifteen matches to take the victory by a comfortable margin. Operating as a well-coordinated team with each man playing an equally large role in the team's success, the Georgians displayed brilliant tennis to sew up the title.

Front: Dave Fisher, Ibrahim Tari.
Rear: Al Mikalachki, Mike Ruckenstein, Larry Winslow, Mag Flynn (Coach).
Absent: Larry Lowinger.

The past year marked the college's first try at intercollegiate golf competition and the venture proved to be successful. Coached and managed by Les Robertson, the four-man Georgian golf crew tested their wares in the Ottawa-St. Lawrence Valley Tournament held at Bishops University in October and placed second to a strong Bishops entry.

The Georgian quartet was selected from among the top duffers who competed in Sir George's own tournament held at the Municipal Golf Course.

Sir George's team total in the two-day tournament was 704, and their trouble came in the putting division. Seville fired an 84-83-167 score while Pickovich totaled 175. McCuaig with 178 and Ches Macey with 184 rounded out the Georgian score.

Malcolm McCuaig, Ches Macey,
Brian Seville.
Absent: Don Pichovich.

Curling

Curling, a new sport on the Georgian scene, found great popularity this year, with a large number of students taking part in intramural play at the Caledonia rinks.

The team of Vic Bryant (skip), Cliff Werb, Dave Currie, and Jim Edwards, with Connie Mandala as spare, won the Loyola Winter Carnival Bonspiel by defeating many of the local colleges.

Another team, composed of Bud Adams (skip), Bob Bryant, Bob Perry and Dave Currie, with Cliff Werb as spare, placed high amidst stiff competition in the Lakeshore International Bonspiel. These were the two major extramural contests.

This year served to establish curling as a major sport at the college.

Murray Johnson, Bud Adams, Vic Bryant.

Bowling

This year marked the advent of bowling as a sport at the college. Over 75 students, both men and women, took part all year long in the Thursday afternoon competitions, amassing averages from 67 to 153. Peter Bartes was the top bowler of the year, with an overall average of 153.

Absent: Irene Andrews.

Cheerleaderettes

The new Georgian Cheerleaderettes made their first appearance at a Birks Hall Pep Rally prior to the first basketball game of the 1957-58 season. Coached by Marvin Jay and Melba Richardson, the girls led the college rooting sections at all Senior Georgian home games, and accompanied the team to Ottawa, Troy, New York, and Castleton. The girls accompanied the hockey squad when they battled C.M.R. at St. Jean. All season long the girls proved to be very valuable morale-lifters, and showed themselves to be a worthwhile addition to the Georgian sports scene.

Front: Grace Rolling, Melba Richardson, Carole Hey.
Rear: Sheila McNeill, Joanne Carroll,
 Jennifer Chanter, Louise Whitaker,
 Denise Marantz.
Absent: Anne Peffers.

The Georgian Ski squad enjoyed a fairly successful season, placing second in two meets and taking top honours in the third. The first was the Ottawa-St. Lawrence Valley Conference Meet at Camp Fortune, when high-scoring team captain Ray Lafreniere led the team to second place.

The team also placed second in the Loyola Winter Carnival Meet at Mont Gabriel. In this meet it was Freshman Andy Courey who paced the squad to the runner-up slot.

At the Georgian Winter Carnival the team won out over skiers from Loyola, McGill, and the University of Montreal to take top honours in the meet. Coach Bob Gilmour and Andy Courey won most of the Georgian points.

Front: Andy Courey, Lou Lukonovitch.

Poor Richard's Almanack

The life of Benjamin Franklin illustrates the truth of his own words, for though this marks the 252nd anniversary of his birth, Franklin's remarkable achievements continue to influence the daily lives of many Canadians. He was responsible for the establishment of The Montreal Gazette in 1778, thereby creating a tradition that still lives as part of the very fabric of its community and country.

A Rewarding Future Is Yours—

IN ENGINEERING AND THE SCIENCES

One of the most serious problems facing Canadian industry is the acute shortage of scientific and engineering university graduates. The door of the future is wide open to young men and women who specialize in these unlimited and rewarding fields of endeavour. The tremendous expansion of Canadian business and the advent of entirely new industries have created a multitude of opportunities with a remunerative and firm foundation for the future. There is a challenge here . . . a challenge which grows more promising day by day.

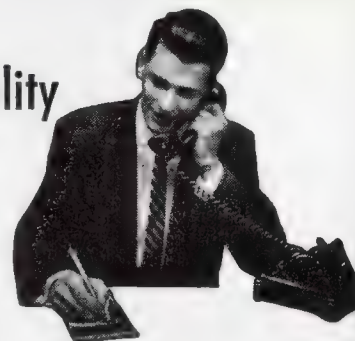

As a trained engineer or scientist, careers with unbounded scope await you in Canadian industry.

Professor D. B. Clarke, our Vice-Principal, told me that there should be no radical change made in the education system. The problem is the teachers and their approach to the subjects they teach. Professor C. E. Smith, Chairman of the Department of Education, McGill, not too long ago in the panel discussion mentioned previously, stated that the universities and colleges which produce the teachers must take the lead in the revamping of elementary and secondary school education by revising and improving the education of teachers. The test of a good education is not the amount of knowledge that the student takes away from school, but the habits and techniques that encourage him to know, and give him the capacity to know how to acquire knowledge, and how to use it. So those of us who intend to enter the teaching profession, have a task before us, which if approached in the right manner and with the correct attitude, would produce suitable men—leaders of whom the Western World has need.

We do not need leaders who are absorbed in their own selfishness, and who think of competition for its own sake, regardless of the disastrous consequences to mankind, but leaders who have had training in the Liberal Arts, and who have an understanding of the leading thoughts and ideas that animated man. Such training tends to humanize man giving him a well-balanced many-sidedness of interest in opposition to the Physical Sciences which tend to develop the intellectual faculties. Throughout history humanists have always been the dread of people with political power. People who preached the humanities were the ones to be found in concentration camps because dictators knew that if they wished to succeed, the Humanities must not remain free. The humanist uses no force and bears no arms—he is intangible and resistant to coercion. The Renaissance, that great period in History as you would recall was brought about by the humanists.

What we do need, and what I would recommend is humanizing Science instead of there being an unbalanced emphasis on either Science or the Humanities. Wherein lies the humanity of Science? It lies in its having revealed the actual world as the environment and the source of life, and in its relating Science to personal experience. How may the humanity of Science be preserved? We need scientists who are close to man and are more concerned with the usefulness of Science.

Finally Fellow Georgians, let us bid a last farewell to Sir George Williams College, the Faculty and Staff, and at the same time pledge that our every endeavour shall reflect the Georgian spirit.

A Young Man on His Way...

Yes, he is on his way because as an officer cadet with initiative, enthusiasm, integrity and intelligence, he is receiving the best in training for leadership and responsibility as an officer in one of Canada's armed services.

Every young Canadian should know about the opportunity open to High School graduates or University undergraduates through the Regular Officer Training Plan, (ROTP). It combines military training with excellent advanced education through the Canadian Services Colleges... Royal Military College (Kingston, Ont.), Royal Roads (Victoria, B.C.), Collège Militaire Royal de St. Jean (St. Jean, P.Q.)... or a designated Canadian university.

A college education, character-building military training, leading to the Queen's commission as a naval, army or air force officer, is available to the right young man under the sponsorship of the Department of National Defence.

If you are interested in seeking a respected career, in serving Canada and, in meeting the challenges of an officer's active life with increasing responsibility, *you can start on your way now!*

Full information can be obtained from your nearest Navy, Army or Air Force recruiting station or by mailing in this coupon, *now!*
